TRIBUTES

FROM CHILDREN

To our dearest mum, words cannot be enough to express our profound love and support towards us. your family. Thank you, mum, for always being there, supporting our dreams, and encouraging us to always believe in ourselves. "You got your own life to lead." You raised us in Christianity and made us understand the importance of God in our daily lives. You have left us but in our hearts you are grounded forever. Sadly, we cannot change God's will for he knows best, but we glorify him for the years he gave us. Rest well, our love, best friend, and brave warrior. May the heavens give you a golden resting place till we meet again. REST IN PEACE, MUM

GRANDCHILDREN

To our loving grandma, words cannot express the love you showed us. We were always eager to come for holidays and enjoy the sweet food you prepared for us. Always asking us to eat more and grow bigger. We will always miss the kind gesture you gave us by surprising us with gifts and sweet melodies we sang along with you in the evening. Rest well, Cucu, but your love and spirit will remain with us always.

HUSBAND
